

# USER MANUAL

## Purpose of the Game

The game is an arena that constantly spawns enemies until the player dies. The goal of the player is to gain as much score as possible until the die. The player can choose between two characters, Slice, a fast-paced low damage character, or Cleave, a high damage, slow paced character.

## Controls

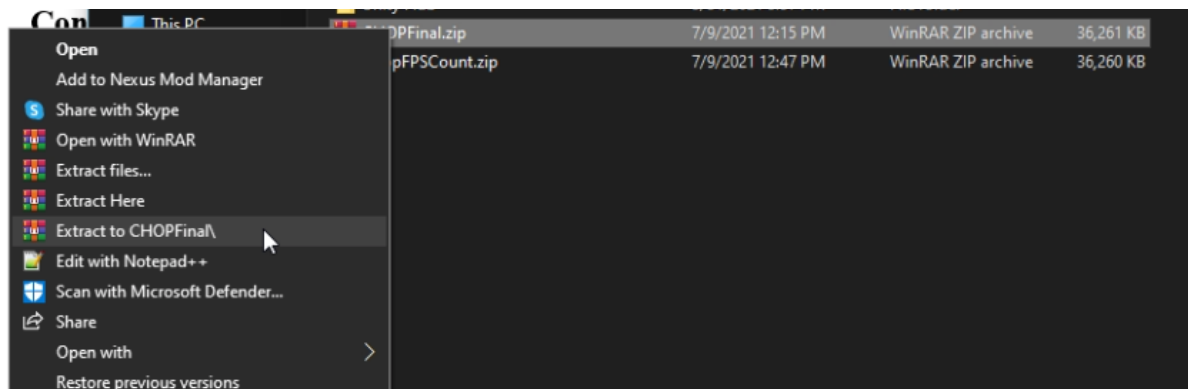

**A, D, Left Arrow, Right Arrow** – Move left and right

**Spacebar** – Jump

**Left Mouse** – Attack

## Installation

Upon receiving the ChopGame Zip file, simply unzip the file to access the game folder.

After unzipping, simply click on the ChopGame.exe file to launch the game.
